

eXp Realty **Brand Guidelines**

The eXp Realty logo represents us at the very highest level and is vitally important to our brand. It acts as a signature, an identifier and a stamp of quality. It is, and should always be, the most consistent component in our communications.

In order to maintain this consistency, a few simple guidelines should be followed.

NOTE

The eXp Realty logo should never be recreated or typeset. Only official logo files should be used in communications. The eXp Realty as shown here will serve as the company's primary logo and trademark.

PRIMARY USAGE

The primary color option for our logo is **Blue and Orange**. It is intended to be used on lighter background and images in order to maintain legibility.

PRIMARY USAGE

Another acceptable color option is to reverse the logo out to **White** on darker background and images.

LIMITED-USE

The logo can appear in **Black** only for black-and-white and grayscale scenarios.

SIZE

To maintain full legibility, never reproduce the logo at widths smaller than 1 inch (for print) or 175 pixels (for screen). There are no maximum size limit, but use discretion when sizing the logo. It should never be the most dominant element on the page, but instead should live comfortably and clearly as an identifying mark.

CLEAR SPACE

To ensure that clear space is maintained around the logo for legibility and prominence, photos, text and graphic elements must follow the guidelines illustrated here. Use the letter "x" as a measuring tool to help maintain clearance.

IMPROPER USAGE

Here are a few examples of practices to avoid.

DON'T STRETCH, CONDENSE OR CHANGE THE DIMENSIONS OF THE IDENTITY.

DON'T ALTER THE PLACEMENT OR SCALE OF THE ELEMENTS.
